IMMIGRATION RULES AUSTRIA

1. **European Students**

   EU citizens (and citizens coming from Switzerland, Norway, Iceland and Liechtenstein) can live in Austria up to 90 days without incurring in any legal obligation.

   EU citizens whose stay in Austria is longer than 90 days (but still temporary) must carry out at the end of the 3rd month a compulsory registration for temporary stay at the Municipality offices.

2. **Non-European Students**

   Non-European Students should observe the regulations concerning entrance and stay in Austria. The so called Schengen - Visa does not automatically confer the rights of entrance and temporary residence for Austria. Unfortunately you are facing some bureaucratic hurdles in this regard.
